Chartridge Lodge is a country house dating back to the early 1900s, and still maintains period features.

Set in 25 acres of landscaped grounds, the delightful garden features immediately outside the reception rooms offer you and your guests the ideal location to enjoy drinks, and give the perfect setting for beautiful photographs.

With the tranquillity that comes from being at the heart of the Chilterns Area of Outstanding Natural Beauty, the large banqueting rooms give the air of elegance and an environment fitting for your special day.

Our experienced wedding co-ordinator will be with you every step of the way, offering exceptional dedication to ensure your desires are met.

"From the moment we arrived the greeting was warm and friendly...nothing was too much trouble"

Capacity

You can invite up to 100 guests for your Wedding Breakfast in the Lodge, and for your evening reception up to 150 guests in the Orangery.

Civil ceremony

Chartridge is licensed for civil ceremonies for up to 40 guests in the oak-panelled Garden Room, and our spacious Restaurant can accommodate larger ceremonies of up to 100 guests. Both rooms offer views of our landscaped grounds.

Catering

From canapés, to your Wedding Breakfast, to your evening buffet, we understand just how important food and drink is in uniting you and your guests to celebrate your most special occasion. Our Head Chef has created a beautiful and exciting menu for you to enjoy, with fine local produce cooked with passion to exceed your expectations. Our chefs pride themselves on being ultimately flexible when creating a tailor-made menu to suit your specific requirements. Meeting our Chef at the planning stage will also allow you to taste a selection of our menu.

Wedding breakfast

Traditionally, the Wedding Breakfast is the first meal taken by the Bride and Groom in their married life together, in the company of their family, friends and guests. This meal is the centrepiece of your marriage celebrations, and we pride ourselves in satisfying your expectations. Your Wedding Breakfast can be served formally as a sit-down meal in one of the large banqueting halls, or informally as a buffet style with many difference menu options available.

Bar and wines

You can choose from an extensive wine list with a selection of red and white wines, along with sparkling beverages and champagne available either on arrival, or following your civil ceremony. Our drinks packages will cater for every taste and preference, and we will be very happy to advise you as to which beverage would best accompany your choice of menu, and of course with champagne for the toast!

Evening entertainment

You can enjoy dancing to a band or disco in the Orangery, with its built-in dancefloor until midnight. We will be delighted to arrange the evening entertainment for you.

Bridal suite and bedrooms

We are delighted to offer complimentary accommodation for the Bride and Groom in our Bridal Suite on the night of the wedding.

Chartridge has 57 en-suite bedrooms, all equipped with complimentary tea and coffee making facilities and colour television, and we offer specially discounted bedroom rates for all your guests.
